

SHRIKAR BIDAEEET

Frontend Developer

📞 8261012277 @ shrikarbidaaet83@gmail.com 🔗 linkedin.com/in/shrikarbidaaet 🌐 https://github.com/shrikarbidaaet83

SUMMARY

Frontend Developer with 1.7+ years of experience building scalable **React** and **Next.js** applications. Skilled in converting Figma designs into high-performance responsive interfaces and integrating **REST APIs** to deliver dynamic, production-ready web applications.

EXPERIENCE

Frontend Developer

Digitalzone

📅 09/2023 - 04/2025 📍 Pune

Responsibilities:

- Developed scalable and responsive web interfaces using React, Next.js, HTML5, CSS3, and JavaScript, delivering pixel-perfect UI from Figma designs with consistent performance across modern browsers and devices.
- Converted Figma/PSD designs into pixel-perfect, production-ready interfaces.
- Implemented UI using TSX, HTML, and SCSS while maintaining clean and maintainable code.
- Fixed UI bugs and improved layout consistency across multiple devices and browsers.
- Improved UI/UX and optimized frontend performance by reducing load times and improving rendering efficiency.
- Integrated frontend components with backend APIs.

Web Developer Intern

Maverick IT Industries

📅 06/2023 - 09/2023 📍 Pune

Responsibilities:

- Built responsive web interfaces using HTML5, CSS3, JavaScript, and React.js, ensuring cross-browser and cross-device compatibility.
- Developed reusable UI components using React.js.
- Built React components using TypeScript and arrow functions for custom methods.
- Implemented user interfaces using TSX, HTML, and SCSS.
- Fixed UI bugs and improved layout consistency across different devices and browsers.

EDUCATION

BSC Computer Science

Asian College of Science & Commerce

📅 08/2019 - 05/2022 📍 Pune (Percentage: 78.00%)

HSC

Mhalsai Vidyalaya, Nipani

📅 01/2017 - 05/2018
📍 Chatrapati Sambhajnagar (Percentage: 73.38%)

SKILLS

React	Next.js	Typescript	REST APIs	
HTML5	JavaScript	Tailwind	Bootstrap	
CSS3	Three.js	GSAP	Figma	Github
Spline3D	Visual Studio Code			

PROJECTS

Interactive Developer Portfolio

🌐 https://shrikarportfolio.netlify.app/

Technologies: React | Three.js | GSAP

- Developed an interactive developer portfolio using React, Three.js, and GSAP to demonstrate frontend projects, UI development skills, and responsive design capabilities
- Implemented 3D visuals using Three.js and animations using GSAP.

RAHRI – Customer Service Management System (CSM)

🌐 https://rahri.vercel.app/

Technologies: React | Next.js | JavaScript | TypeScript | Tailwind CSS | Git | GitHub

- Developed a modern **Customer Service Management System (CSM)** using the **Next.js framework** to manage customer interactions and service workflows through a responsive web dashboard.
- Developed a full-featured Customer Service Management System (CSM) using Next.js and React to manage customer interactions and service workflows.
 - Built an admin dashboard with modules for property management, blog posts, job listings, applications, testimonials, leads, and activity logs.
 - Integrated REST APIs for dynamic data fetching and CRUD operations across dashboard modules.
 - Implemented reusable UI components and modular architecture using React and TypeScript.
 - Developed responsive dashboard interfaces using Tailwind CSS for seamless experience across devices.
 - Optimized application performance using Next.js routing and server-side rendering.
 - Managed project version control and collaboration using Git and GitHub.
